

1. What if children could choose how, when and where they did their learning?
2. What if we didn't have the restrictions of a timetable?
3. **What if learning, social relationships and the environment were organised as if school were a year long residential?**
4. What if the school was an ever changing space?
5. What if the learning environment could be anywhere - in the 'school' or in the 'community'?
6. What if we only had one subject – life?
7. What if the school was always open 24/7?
8. What if adults and children learned alongside each other?
